

16th International Nondestructive Testing and Evaluation of Wood Symposium

Co-hosted by Beijing Forestry University and
USDA Forest Products Laboratory
May 11-13, 2009, Beijing, China

Welcome

We are proud to announce the 16th International Nondestructive Testing and Evaluation of Wood Symposium, to be held in Beijing, China, on May 11-13, 2009.

Initiated in the early 1960's, The International Symposium on Nondestructive Testing and Evaluation of Wood has become a world-wide technical forum aimed at promoting effective communication and information exchange of research advancements and technical refinements in the field of NDT/NDE of wood. It represents the full spectrum of technical interests, from basic and applied science to the use of various methods in industrial and field applications. The Symposium focuses on bridging the gap between research and industrial applications. The 16th International NDT/NDE of Wood Symposium is being hosted by Beijing Forestry University and the USDA Forest Products Laboratory. On behalf of the symposium's organizing committee, we warmly welcome you to Beijing!

Co-sponsors

Research Institute of Wood Industry, Chinese Academy of Forestry, China
Northeast Forestry University, China
Natural Resources Research Institute, University of Minnesota Duluth, USA
China National Forestry Machinery Association
China National Center for Quality Supervision and Test of Woodworking Machinery

International Advisory Committee

Roy F. Pellerin,	USA
Voichita Bucur,	France
Robert J. Ross,	USA
Ferenc Divos,	Hungary
Brian K. Brashaw,	USA
Xiping Wang,	USA
Klaus Dreiner,	Germany
Xiaomei Jiang,	China

Symposium Organizing Committee

Wenhua Yu, Beijing Forestry University, China
Jianxiong Lu, Chinese Academy of Forestry, China
Guosheng Yu, Beijing Forestry University, China
Guangjie Zhao, Beijing Forestry University, China
Lihai Wang, Northeast Forestry University, China
Wenbin Li, Beijing Forestry University, China
Feng Fu, Chinese Academy of Forestry, China
Xirui Liu, Beijing Forestry University, China
Houjiang Zhang, Beijing Forestry University, China
Zhiqiang Zhang, Beijing Forestry University, China
Yingjie Qi, China National Center for Quality Supervision and Test of Woodworking Machinery
Qisheng Ma, China National Forestry Machinery Association

Chair

Dr. Weilun Yin, Beijing Forestry University

Vice Chair

Dr. Robert J. Ross, USDA Forest Products Laboratory
Dr. Guosheng Yu, Beijing Forestry University

Symposium Secretariat

Dr. Wenbin Li, Beijing Forestry University
Dr. Xiping Wang, USDA Forest Products Laboratory

Program Coordinator

Xirui Liu, Houjiang Zhang, Yafang Yin

Call for Papers

Consider this an invitation for submitting an abstract that summarizes your latest research or development findings! Technical sessions will include both oral and poster presentations. An exhibition of the most recent advances from equipment developers and manufacturers is also planned. Technical subject areas include:

- Evaluation of tree and log quality
- Structural timber assessment
- Wood-based composites evaluation
- Applications with engineered wood products
- Assessment of newly developed bio-based materials
- Condition assessment of historic wood and timber structures
- Assessment and monitoring of forest/ecosystem health
- Hazard tree assessment in urban area
- Other related areas

Important Dates

Deadline for submitting abstract: October 1, 2008
Deadline for submitting full paper: February 1, 2009
Registration deadline: April 1, 2009

Venue

The venue for the NDT Symposium is Xijiao Hotel (www.xijiao-hotel.com.cn), located at the high-tech and business area in northwest suburb of the city of Beijing. As the green garden of the city, Xijiao Hotel is surrounded by famous universities, Zhong Guan Cun (China's Silicon Valley), Olympic center and many other attractions.

Post-conference tour

To be announced at a later time
